**Letter dated 23 April 2002 from the Permanent Representative of India to the United Nations Office at Geneva addressed to the Chairperson of the fifty-eighth session of the Commission on Human Rights**

We have seen a letter of 11 April 2002 addressed to you by the Permanent Representative of Malaysia transmitting, in her capacity as the Chairperson of the Organization of the Islamic Conference in Geneva, a statement adopted by the "OIC Contact Group on Jammu and Kashmir", along with a memorandum presented to this Group by the self-styled "True Representatives of the Kashmiri people".

The OIC Contact Group has no locus standi to circulate papers on the internal affairs of my country.

GE.02-13497 (E) 250402

In a democracy, representatives of the people can only be elected by the people themselves; they can neither be self-appointed nor designated by foreign countries. It is highly ironical that an organization supported and sustained by the terrorist activities of its foreign mentors claims to represent the people in a State of India. The State of Jammu and Kashmir has a popularly elected government, which enjoys the mandate of the people of Jammu and Kashmir.

The Government of India totally rejects the baseless allegations contained in the statement and the memorandum referred to above. The OIC would be well advised to counsel Pakistan to put an immediate end to its proxy war of terrorism against India.

I would like to request that this letter be circulated as an official document of the fifty-eighth session of the Commission on Human Rights under agenda items 5 and 9.
